1. General Information

In all competitions the Etiquette and Rules of Golf, as laid down by the R & A and any Local Rules currently in-force, shall apply.

If the committee has appointed a referee, his decision in any disputes shall be final.

In the absence of a referee, any dispute or doubtful point on the Rules shall be referred to the Committee, whose decision shall be final.

Only members with a current handicap and who meet the competition entry requirements as indicated in the Competition Description, and have membership playing rights for the day and time of the competition, are allowed to enter the competition.

If by mistake a member plays off the wrong handicap then the following will apply:

- Lower handicap than current - Score stands
- Higher handicap than current - Disqualification

It is the members own responsibility to check their handicap before commencing play in any competition.

Scorecard:

In all competitions, with the exception of Match Play knock-out matches, a *'properly completed'* scorecard must be submitted. The scorecard must be marked by a fellow competitor, except for medal competitions where the marker can be a playing partner; who is a member of Langdon Hills Golf Club, with a current handicap.

In exceptional circumstance's, at the discretion of a committee member, a non-participating marker may be allowed.

The Scorecard will be deemed to have been *'properly completed'* if the following details are **legible**:

- The Competition name/details
- Date played
- Course played (Langdon, Bulphan or Horndon)
- Tees played from (White or Yellow)
- The Player(s) name(s)
- Handicap
- Stroke Allowance
- Gross Score on each hole
- Gross Score & Net Score totals (for Stroke Play competitions)
- Signed by the marker
- Signed by the player/players

In Stableford competitions it is not necessary to show points achieved.

It is the player's responsibility to check all the information is correct before he signs the card.

If there is a disagreement between player and marker, do not sign the card and refer the card to the Competitions Secretary.

Failure to complete the Scorecard correctly will/could result in disqualification.

All Men's competitions will be played off the White tees except when decreed by the committee.

Restrictions on entry to a competition are defined in the competition description.

The competition description will advise methods of entry for each particular competition.

Juniors may enter all Men's and Mixed competitions, excluding Mid-week knockouts and the Rabbits Trophy, provided they have a playing handicap of 16 or less. In doubles / mixed competitions they must be accompanied by an adult member (ONE ADULT PLAYING PARTNER PER JUNIOR), the junior must have played in 5 junior competitions prior to playing in any of the above events.

Competition Entry:

All competitions will be 'Advertised' on the Competition Notice Board, approximately one month before the competition is due to be played. It will advise the method of entry that is allowed for the competition, which will be one of the following:

PRE ENTRY: Entry is by reserved tee time. Approximately one month before the competition a Pre-Entry Sheet will be available in the entry folder. Those wishing to enter the competition should add their name to the entry sheet, *and pay entry fee*. If preference for an early or late tee time is indicated, then this can be accommodated. It will not be possible to pre-book an exact tee time.

If the entry fee is not paid the member will not be entered in to the competition.

Approximately 12 days prior to the competition the Pre-Entry will be closed. The closing date for Pre-Entry will be advised on the Competitions Notice Board.

A random draw will then be made and posted at least seven days prior to the competition start date, to advise members of their starting time.

Enter on the Day: Entry to this type of competition is by the member arranging his own tee time. Prior to commencing play he must complete the entry sheet, *and pay entry fee*.

TWO TIER COMPETITIONS: These competitions will be by both 'Pre-Entry' and 'Enter on the Day'. No member may enter a competition twice

Competitions with Trophies

In Club competitions, which do have a trophy and/or replicas, then prizes, cash or vouchers, at the discretion of the committee, will be given. Vouchers will be redeemable in the shop, or bar/restaurant or elsewhere, if appropriate (e.g. M & S).

Based on £2 entry fee, 25% of the total will be distributed as follows:

50% to the winner or winners

30% to runners-up

20% to 3rd place individual or team

At the discretion of the Committee, and due to the number of entrants, or amount of entry fees collected, awards may be made to more places, e.g. ECLECTIC, when the percentage paid to each place may be amended.

Competitions without Trophies

In Club competitions, which do not have a trophy and/or replicas, prizes or vouchers may be purchased by the organisers of the competition to the value of approximately half the entry fees received. The organisers will decide whether the competition will have one or more prize winners depending upon the number of entries. The committee may decide that even when a trophy does not exist replicas may be given in place of prizes.

Entry qualification for 'Major' competitions

For competitions designated as 'Majors', entry is conditional on the competitor having played in a minimum of three qualifying singles competitions during the previous 12 months, (**five qualifying singles competitions for the Club Championships**), however, players who do not meet the entry criteria may enter a 'Major' and use such entry as a 'qualifying' tournament for future 'Major' competitions except for the Dix Summer Singles Knockout and the Sheridan Pairs Knockout.

No Shows for competitions

Any competitor who fails to turn up on competition days after a draw has been made without informing the pro-shop or a member of the committee with a valid reason will be fined their entry fee and may be disqualified from the next three competitions.

A lady playing in a mixed combination will play off the shortest tees.

In the event of a team being short of a maximum of two players, on the day, an allowance will be made by adding the highest playing member's handicap for each person missing when calculating the one-tenth allowance. No other concession will be made.

A team of 'one' will be disqualified and the entry fee refunded to the member who reported for the start time.

The Scorecard must indicate which player's tee shot was selected on each hole

Scorecards will be prepared and a scoreboard drawn-up.

Format: Stroke Play - Texas Scramble. Each player must have at least four tee shots selected.

Play procedure: All players drive on every hole, subject to that each team member must have four tee shots selected. The team decide which ball is in the best position. The other balls are then picked up and **dropped** within a club length of the selected ball but no nearer the hole. All players hit their next shot from this position.

Play continues along these guidelines, if the selected ball is in a hazard or in rough the other balls must be dropped and played from this position. If 'pick and place' on the fairway is in-force, then the balls may be placed.

When on the green all balls must be putted from within 3 inches of the spot where the selected ball lies. If a putt is missed do not tap the ball in as this means the hole is completed and the score must count.

The qualifying round to be played on the Saturday.

The final round to be played on the following Saturday.

The top 20 scratch scores (and tie's) and the top 20 net scores (and tie's), will qualify for the final.

All players so qualified will be eligible for both the Club Championship [SALVER] and Club Handicap [PLATE] trophies.

If after the final round two or more competitors have tied with a 36 hole Stroke Play score then the winner of the Club Championship will be decided by 'Sudden Death' Match Play. Play will commence on the 10th Hole (Bulphan Course), followed by the 18th Hole. This sequence will continue until an outright winner has resulted.

The Club Handicap trophy will be awarded to the best net medal score from all competitors over the 36 holes. In the advent of a tie, a count-back will operate on the last 18 holes to determine the outright winner.

Trophy and replicas to be awarded to the winners on presentation night.

Scorecards will be pre-prepared and a scoreboard drawn-up for the final round.
